

Spell Well Montessori School Now Offering Tae Kwon Do Classes

Young Brothers Tae Kwon Do has been teaching classes in the Houston area for over 25 years. We are committed to teaching fun, safe, effective classes that promote physical fitness and self-defense, while instilling confidence and discipline which carry over into all aspects of life. For children, this means being prepared for the challenges they'll face at school, as well as, the rest of their lives.

PROGRAMS OFFERED:

We offer both a Tots and Traditional Program. If classes fill, we will add additional classes to maintain optimum ratios:

Tots Program (ages 4, 5, 6)

- 30 minutes / twice per week
- Student/teacher ratio 4:1 or 6:1 (depending on the age or maturity of the group)
- This class teaches basic skills that prepare this age group for the traditional Tae Kwon Do classes. This includes the development of balance, coordination, focus, teamwork, memory and self-discipline through comprehensive drills and games.

Traditional Tae Kwon Do (ages 7 thru 11)

- 45 minutes / twice per week
- Student/teacher ratio 8:1
- This class teaches traditional Tae Kwon Do, which includes forms (patterns), daily drills and sparring. Emphasis on stances, kicks, and punches, as well as, respect, discipline, courtesy and other character building traits.

CLASS FEES: The cost of registration and monthly dues is as follows:

- \$60 one time registration fee; includes uniform and Amateur Athletic Union (AAU) membership.
- \$55 per month for two classes per week; family discount of 25% for each additional student.
- Arrangements can be made to make up a missed class at the studio.
- Holidays will coincide with those scheduled by the school or school district; there is no discount for weeks where holidays fall.

Additional costs for training include:

- Testing fees are in addition to monthly tuition; each test is \$50. Testing occurs approximately every 8 – 10 weeks. This is a rank test—if promoted, the student will receive a new belt for the next level of training.
- Sparring Gear will be required when the student begins this phase of training at Orange Belt level or higher; the cost of the equipment ranges from \$150 - \$175.

Tae Kwon Do is a wonderful compliment to academics, providing on-going benefits to your child. By offering these classes on-site at Spell Well, parents have a convenient option for giving their kids excellent life skills training. All classes will be taught by Master Scheuermann who has been teaching Tae Kwon Do for over 15 years.

Sincerely,
